

M. Hayashi

Dear Sir

Thank you very much for having so kindly sent me a ticket for the Vernissage tomorrow, and also the season admission ticket to the galleries.

It was most thankful of you to have remembered us and I am very appreciative of your courtesy.

May we not come to see your beautiful collection on Sunday morning at eleven ?

If that day be not convenient kindly let me know and I will fix another time as we are anticipating with great interest

seeing your valuable objects.

I hope you will call upon us some evening then we can have a long talk about your interesting country which we hope soon to visit. If free tomorrow, Wednesday evening, can you not come with us.

With renewed thanks for your kindness

Your most sincerely yours
