Monsieur T. Hayashi Paris

My dear Monsieur Hayashi,

I have great pleasure in telling you that the lot of terra cotta figurines arrived quite safely owing to your having packed them so carefully. I should be glad to know Madame Korin's Christian name & how old she is. I have the pleasure of sending you a cheque for 4000 fcs (I was going to send it to you today without waiting for the arrival of cases) so that I am able to send you the cheque and also to tell you of the arrival. I will send you the balance of account shortly. I am afraid I shall not be able to get to Paris just yet as I am occupied very much just for the present. I hope you are quite well and doing plenty of business although business is very slow here. Hart has another sale by auction. I cannot think why he does it as he hardly ever sells much at them people are getting afraid and do not attend the sales.

I remain

Yours very faithfully

W. D. Cutter

Please do not tell any person of any of my purchases of you and oblige me.
