Monsieur T. Hayashi

Paris

My dear Monsieur Hayashi,

I now fulfil my promise to you and send you a cheque for the 7.700 fcs which I hope you will receive safely. I hope the French girls did not do you any mischarge during the fête. I know that they are very fond of Japanese gentlemen. I told my wife of the pleasant little dinners we had and I rather think she looked as though she wished she had been there. I told her what a good host you made.

With kindest regards

I am yours very sincerely

W. D. Cutter

I have to thank you for having so kindly packed Heliots' goods with yours.
