Monsieur T. Hayashi

Paris

My dear Monsieur Hayashi,

I beg to send you a cheque for 5000 fcs for my last purchase which I hope you will receive safely. I was coming to Paris this week only that I had to await a client so that I shall have to come next week when I hope to find you quite well. Bing made a nice mess with a vase by auction here the goods sold so badly that the auctioneer will draw the second days sale altogether as no one could bid for a single lot. You must have some such a quality goods for me when I come as I no longer want the moderate ones. I cannot find buyers for them at all.

Hoping you are quite well and business good.

I remain

Yours very sincerely

W. D. Cutter
