

7-4-96

Dear M^r Hayashi

A line to thank you for so kindly sending me the Catalogue of your gift to the Louvre and the two volumes of the Hokusai [*1] book. M. de Goncourt was very fortunate in obtaining it & your assistance.

I am sending a book just a copy of a little monograph on Japanese engravings which I published last year. Please accept it

Yours very truly

William Anderson

[*1] 葛飾北斎 (Katsushika Hokusai) 。
