

3^d Sept 1898

Dear Mr Hayashi

My absence from home has prevented earlier acknowledgment of your kind note of the 12th enclosing Marquis Ito's letter. Many thanks.

I trust that I may have the pleasure of another visit from you at Montreal before many months and that you will have a little more time to spare so that I may show you what we have of interest in this part of Canada.

Most sincerely yours

W.C. Hawthorne

T. Hayashi
