

17th July 1903

Dear M^f. Hayashi,

I am pleased to say I have a chance of sending your little ruksake tomorrow and I hope you will receive it in a day or two. M^{rs}. Faull unites with me in wishing you health, happiness and prosperity.

When you are in Japan, if there is anything I can do for you in London, please, command my services.

With kindest regards

Yours faithfully

Char. E. Faull
